

Hey, Rvssian

Call me up now 'fore the day done  
They always come around when the change come  
You should kill this cup, let the pain numb  
You should give it up 'cause it ain't none  
Dale mami, dale mami, moving like Shakira  
Do it for me like you dancing in the mirror  
Let's go somewhere private, lay low in the villa  
She said "I'm right in front of you, papi", oh yeah

Top down in exótica  
Bad bitch been exótica  
Miami, Santa Monica (Monica)  
Run it up, doing what I want (What I want)

Yeah, foreign  
Don't need them other guys you fucking with are boring  
Take your phone out, let's do something and record it  
Put it on your story, hope they don't report it  
Everything imported  
It's a matter of time 'til they find out  
Yeah, you used to be his, but you're mine now  
They always come around tryna say some  
Yeah, they should give it up 'cause it ain't none
