

[?] the chaos
I feel amazing
Hope you do too

With the psycho in my head
With the psycho in my head
Going psycho in my head, eh-eh-eh
It's a cycle, I can't quit
It's a cycle, I admit
Said I wouldn't but I did, eh-eh-eh

Talking to la luna in the sky
I ate the whole eighth on the 404
Don't like when they fucking with my high
Too much on my mind, I got a lot inside
Voices in my head
Stranger in my bed
I'm just being reckless
What is your intention
I need something different
What is my obsession
With things that feel distant?
(And I try)
And I'm back at it again
Yeah, I'm back at it again
Aquí estamo' otra vez
(And I try)
Yeah, I'm back at it again
Yeah, I'm back at it again
Aquí estamo' otra vez

With the psycho in my head
With the psycho in my head
Going psycho in my head, eh-eh-eh
It's a cycle, I can't quit
It's a cycle, I admit
Said I wouldn't but I did, eh-eh-eh
With the psycho in my head
With the psycho in my head
Going psycho in my head, eh-eh-eh
It's a cycle, I can't quit
It's a cycle, I admit
Said I wouldn't but I did, eh-eh-eh (Gone off and they're so)

Gone off and they're so
Oh-oh-oh-oh, yeah-eh-eh-eh
Oh-oh-oh-oh, yeah-eh-eh-eh
Oh-oh-oh-oh, yeah-eh-eh-eh
Oh-oh-oh-oh, yeah-eh-eh-eh
Oh-oh-oh-oh, yeah-eh-eh-eh
Oh-oh-oh-oh, yeah-eh-eh-eh
Oh-oh-oh-oh, yeah-eh-eh-eh
Oh-oh-oh-oh, yeah-eh-eh-eh

With the psycho in my head
With the psycho in my head
Going psycho in my head, eh-eh-eh

It's a cycle, I can't quit
It's a cycle, I admit
Said I wouldn't but I did, eh-eh-eh
With the psycho in my head
With the psycho in my head
Going psycho in my head, eh-eh-eh
It's a cycle, I can't quit
It's a cycle, I admit
Said I wouldn't but I did, eh-eh-eh
