

TAPPD'N

A.CHAL

Tapped in all the way
Tap all the way
Oh, oh, oh I'm tapped in all the way
Tap all the way ([?], what up?)
(Yo, Frank)

I've been cookin' in la cocina, shit is puro
When they askin' for handouts, I tell 'em, "Life is duro"
Your girl in my DM's and she call me, "Papi Chulo"
Took her to an island 'cause she wanna show her culo
Spirits talkin' late at night, I'm feelin' like I'm brujo
I got all this weight on me, I'm fightin' like a Sumo (Hoe)
See my brother break down, tell him, "Don't give up, you too close"
We've been down for too long, I can't think 'bout tomorrow

(Oh, oh-oh)
It took some time but now I'm aligned with everything I thought I'd be (Oh, oh-oh)
Shit took some time but now I'm aligned with everything I thought I'd be (Oh, oh-oh)
I had to let go, I had to let go, I saw what they wanted for me (Oh, oh-oh)
I'm in control when I'm out of control, baby, you know how I wanna be

I said, "I'm, I'm, I'm, I'm, I'm tapped in all the way, yeah, yeah, yeah"
Tapped in all the way, yeah, yeah, yeah
I said, "I'm, I'm, I'm, I'm, I'm tapped in all the way"
Tapped in all the way, yeah, yeah

Feelin' GAZI, put one in the air, ayy, yeah
Bitch, I'm tapped in, I might disappear from here
Agua water on me, shit is clear, ayy, yeah
I left all the past shit in the rear, ayy, yeah
I just took a tab and now I'm tapped in like I'm Neo
Goin' through the Matrix and I'm talkin' with my ego
How they come into your life, exactly how they leave you
Everybody want a cut but they don't wanna bleed with you

(Oh, oh-oh)
It took some time but now I'm aligned with everything I thought I'd be (Oh, oh-oh)
Shit took some time but now I'm aligned with everything I thought I'd be (Oh, oh-oh)
I had to let go, I had to let go, I saw what they wanted for me (Oh, oh-oh)
I'm in control when I'm out of control when I'm out of control
Baby, you know how I wanna be

I said, "I'm, I'm, I'm, I'm, I'm tapped in all the way, yeah, yeah, yeah"
Tapped in all the way, yeah, yeah, yeah
I said, "I'm, I'm, I'm, I'm, I'm tapped in all the way"
Tapped in all the way, yeah, yeah
I said, "I'm, I'm, I'm, I'm, I'm tapped in all the way, yeah, yeah, yeah"
Tapped all the way, yeah, yeah, yeah
I said, "I'm, I'm, I'm, I'm, I'm tapped in all the way"
Tapped in all the way, yeah, yeah

Tapped in all the way, yeah
Tapped in all the way, yeah

Tapped in all the way, yeah
Tapped in all the way, yeah
Tapped in all the way, yeah
Tapped in all the way, yeah
Tapped in all the way, yeah
Tapped in all the way, yeah

Yeah, I'm feeling good, yeah, I'm feeling good, yeah, I'm feeling good
Yeah, I'm feeling good, yeah, I'm feeling good, yeah, I'm feeling good
Yeah, I'm feeling good, yeah, I'm feeling good, yeah, I'm feeling good
Yeah, I'm feeling good, yeah, I'm feeling good, yeah, I'm feeling good
Yeah, I'm feeling good, yeah, I'm feeling good, yeah, I'm feeling good
