

Vacation

A.CHAL

([?])

I've been workin' long nights, trabajando duro
I deserve my own time, but I love this mula
Call up la familia, vamo' pa' la isla
Tell her to bring all of her friends

Mami, manda tu location
Spin that right around, love this rotation
Cancel all your plans, need a vacation
Outside with the gang, who gonna say shit? (Alright)

Bitch, I'm pretty and I ball, yeah, yeah
I got diamonds, no flaws, yeah, yeah
What they talking 'bout? Oh yeah, yeah
Make it happen with a call, yeah, yeah
We hit 'em up like a 2Pac song
I'ma hit it with my tuba socks on
We flyin' out to Tulum, Cabo
Private island in the Yucatan

Got her high heels on, this her favorite song
She took time off work, let her do what she wants
I got ten toes down, I'm a real huncho
She gon' come (She gon' come, alright)

Mami, manda tu location
Spin that right around, love this rotation
Cancel all your plans, need a vacation
Outside with the gang, who gonna say shit? (Alright)
(I'ma take the flight and I finna go)

I'm in Paris, I'm far
I see my line, they callin'
Just copped the lease on a foreign
I'm over bein' too modest
Now when I sneeze, no sorry
I got it locked, no worry
I know the truth, no Maury (Alright)

Got her high heels on, this her favorite song
She took time off work, let her do what she wants
I got ten toes down, I'm a real huncho
She gon' come (She gon' come, alright)

Mami, manda tu location
Spin that right around, love this rotation
Cancel all your plans, need a vacation
Outside with the gang, who gonna say shit? (Alright)
(I'ma take the flight and I finna go)

Oh, woah-woah, yeah
Oh, woah-woah, yeah
Oh, woah-woah, yeah (Alright)
I'ma take the flight and I finna go
Oh, woah-woah, yeah
Oh, woah-woah, yeah

Oh, woah-woah, yeah (Alright)
