

WHO U

A.CHAL

Runnin' away with me

I've been wastin' mileage
Chasin' silence
On an island, yeah
You know just when to hit me (Yeah)
You found out everything
You want me guilty

Who do you think you are? (Yeah, yeah, yeah)
To get my time from me, eee
Yeah, who do you think you are? (Yeah, yeah, yeah)
To get my time from me, eee
I don't see why it's so hard (Yeah, yeah, yeah)
When you told me I wasn't what you needed, ayy
Who do you think you are? (Yeah, yeah, yeah)
To get my time from me, eee
(Runnin' away with me)

I'm just just, tryna process
But it's a process
Girl, you've been tryin' me (Oh yeah)
Regardless, your apologies
Yeah, this the side of me
Girl, what you want from me?
Stop tryna reach out to my ex to make some gossip
If you can't get to where I'm at, that's not my problem
You keep on tryin' to bring it back but I don't want it
You don't listen to me, now they listen to me

Who do you think you are? (Yeah, yeah, yeah)
To get my time from me, eee
Yeah, who do you think you are? (Yeah, yeah, yeah)
To get my time from me, eee
I don't see why it's so hard (Yeah, yeah, yeah)
When you told me I wasn't what you needed, ayy
Who do you think you are? (Yeah, yeah, yeah)
To get my time from me, eee
(Runnin' away with me)

Runnin' away, runnin' away, runnin' away, runnin' away, runnin' away
Runnin' away, runnin' away, runnin' away, runnin' away, runnin' away

Who do you think you are? (Runnin' away)
To get my time from me, eee (Runnin' away)
Yeah, who do you think you are? (Yeah, yeah, yeah, runnin' away)
To get my time from me, eee (Runnin' away)
(Runnin' away with me)
