

Daemonum Lux

Acheron

Iniquitous litanies chanted aloud
Irreligious blasphemies spoken so proud
An evocation of occultic might
Unambivalent devotion to the demonic light

Ceremonial magick precise and detailed
Great goat of Mendes is revered and hailed
Choronzon's presence leaves me in awe
Do what thou wilt shall be the law

Zazas, zazas, nasatanada, zazas
Zazas, zazas, nasatanada, zazas
