

Andrew's Strategy

Acid Drinkers

Through god sure can live with it
It embarrassed him a bit
People dropping just like flies
They said heaven howls and cries
Europe's had a heart attack
Like it did in Stalingrad

Andrew having random fun
Firing his machine gun
Andrew having random fun

Through god sure can live with it
It embarrassed him a bit
Can't believe this sorry sod
He's removed his fear of god
That's one surgery from hell
He performed upon himself
He performed upon himself

The island's burning like a torch
Black sky is falling like a wall
The monster's eating their dreams
The island's burning like a torch
Black sky is falling like a wall
The monster's eating their dreams
The island's burning like a torch
Black sky is falling like a wall
The monster's eating their dreams

Through god sure can live with it
It embarrassed him a bit
Born in shackles - that's his view
He wants to go out and cure
Throw the chans off, start his game
Monster surgeon is his name

Andrew having random fun
Firing his machine gun
Andrew having random fun

Said his path was straight and cruel
Said his consistence told him to
Hanging women and men
Been his dream time and again
Been his dream time and time again

The island's burning like a torch
Black sky is falling like a wall
The monster's eating their dreams
The island's burning like a torch
Black sky is falling like a wall
The monster's eating their dreams
The island's burning like a torch
Black sky is falling like a wall
The monster's eating their dreams - mniám, mniám...
