

Hats Off

Acid Drinkers

Hats off gentlemen and I suggest to listen
Don't anybody dare fart, flies don't dare buzzz
Kicking back in my pig pen I fire up my CD
And repeats, hats off, men, unless you're tone deaf
Hats off to this lady
Hats off to this lady
I open up the first bottle shouthing attention, shut up, listen
,
Don't anybody make a sound and even yawn
Kicking back in my pig pen I fire up my CD
And repeats, hats off, men, unless you're tone deaf
And repeats, hats off, men, unless you're tone deaf
Hats off to this lady
Hats off to this lady
Hats off gentlemen and I suggest to listen
Don't anybody dare fart, flies don't dare buzzz
Kicking back in my pig pen I fire up my CD
