Zero

Acid Drinkers

You know who you are?! You are one big zero! Cry! You deserve it!

You can scream long and loud No-one wants to listen to your shouting Your cliche life story, son Makes me smile malevolently

Another brat wants to go back to mum, another human animal another human animal another human animal so somemone cheated you, my sobbing hero you know who you are?! You are one big zero! you know who you are?! You are one big zero! You yourself didn't want it they could've beat you right away that was your other option but fate was unkind

Another brat wants to go back to mum, another human... Another brat wants to go back to mum, another human...
