

## Downtown SF

Acid Ghost

Can we go downtown on this sunny day?  
And if you're upset and not okay  
And your talking all this nonsense  
Make it all clueless  
Are you ready to love?

Don't be shy with me  
We're supposed to be together  
So much love I feel makes it so unreal  
When we're together

I've been thinking bout her  
Night time through the day...
