

Drunk Again

Acid Ghost

It's one bottle, two, bottle three, bottle four, five bottle six, bottle seven. It's one bottle, two, bottle three, bottle four, seven- eight

Well I'm drunk again
Well I'm drunk again
I need help with myself, oh
I need help with myself...
But she's right here

One bottle, two, bottle three, bottle four, five, bottle six, bottle seven. It's one bottle, two, bottle three, bottle four, seven- eight

So after a few more nights of talking to her on the phone, we decided to go to a lake a few days after the party. I honestly think I'm in love with her. I recorded a song for her. It was pretty much about summer and how I was falling for her. I put it on a tape recorder, but, I didn't have the chance to give it to her
