

November, Pt. 1

Acid Ghost

What's your name?

My name is-

I've been gone for some years
Thoughts tick by, now I'm sober
Focused all on my kid
He's now been two months older

Felt the cold of the month at the start of December
Even withered the storm, through the month of November

Popped back in now I'm stronger
Popped back in like I told you
Can't contain my emotions
I had to let go of my anger

Popped back in now I'm stronger
Popped back in like I told you
Can't contain my emotions
I had to let go of my-

I have some feelings that I wanna show
I have some feelings that I wanna show
I have some
I have some that I want to share with you
Now here are some feelings that I wanna show
