

## November, Pt. 2

Acid Ghost

Where do I go?...  
I need to leave here right now  
Where do I go?...  
I need to leave here (right now)

I wanna go away from here, from here  
I wanna go away from here, from here  
I wanna go away from here, from here  
I wanna go away from here, from here

I wanna go away from here, from here  
I wanna go away from here
