

Right Person, Wrong Time

Acid Ghost

You can just slide with him tonight
Just slide with him
I know it's over

I'll get a ride
On my own
Going home
Cause I know it's over

Don't you know the difference
Just think logically
What you said to me
That you wanted peace

Now you're with some random
Bet he's your side piece
Hope he one day leaves
Don't be toxic please

Don't you know the difference
Just think logically
What you said to me
That you wanted peace

Now you're with some random
Bet he's your side piece
Hope he one day leaves
Let's be toxic please

You can just-
