Acid Ghost

Crying out for help  
Come and do some lines right now  
Let's shout and tell  
The secrets that we both found out

(One, two, three, four)

Crying out for help  
Come and do some lines right now  
Let's shout and tell  
The secrets that we both found out

What's her name? Can you tell?  
What kind of drugs does she go sell?  
Can we buy the stuff?  
It's 'cause we're running low and can't get enough
