Acid Ghost

Woo-hoo, woo-hoo, woo-hoo, woo-hoo

I'm all alone
She's far from home
And I'm lost in space
But I can't find a way to my place

She's gone again, again, she's gone
Again, again, again, she's gone
She's gone again, again, she's gone
Again, again, again, she's gone

AGAIN!
AGAIN!
AGAIN!
AGAIN!

She's gone again, again, she's gone
Again, again, again, she's gone
She's gone again, again, she's gone
Again, again, again, she's gone

I'm lost in-
I'm lost in-
I'm lost in-
I'm lost in-
I'm lost in-
