

# Vacation

Acid Ghost

Slow the time down  
Time's too fast  
Now I'm having fun  
Kiss my life away  
Here's where I want to stay  
'Cause I'm having fun

And I'm on vacation  
'Cause I'm on vacation

Now slow the time down  
Time's too fast now  
'Cause I'm having fun  
Kiss my life away  
Here's where I want to stay  
'Cause I'm having fun

And I'm on vacation  
'Cause I'm on vacation  
'Cause I'm on vacation  
'Cause I'm on vacation  
'Cause I'm on vacation, yeah  
And I'm on vacation
