

What Do I Say?

Acid Ghost

I guess I could start by talking about the party in the cabin

It was a sunny day, and things were going my way
There's a party tonight at 8
If she's there I gotta stay

Her
It's her I see, she's all for me
Today is the day, but
What do I say?
What do I say?
What do I say to her?
I don't know
"Hey, how are you?"

"Hey, how are you?"
(Distorted background talking)
(How are you?...)

So I said those four words to her, we talked outside under the
night sky. The party was still going inside. I got her number t
hat night, and we talked about our lives, and everything, prett
y much
(Oh)

What do I say?
What do I say?
What do I say to her?
I don't know

We both went back inside, and started drinking some more...
