When The Sun Rises

Acid Ghost

Let's fly away in the summertime
Get lost with me in our own minds
When sensation hits, you lose track of time
Flying away in the night sky

'Cause when the sun rises up in the summer time
We get lost in our thoughts in the summer time
Wake up and bake in the summer time
Day dream 'til the suns up in the summer sky
'Cause when the sun rises up in the summer time
We get lost in our thoughts in the summer time
Wake up and bake in the summer time
Day dream 'til the suns up in the summer sky

Don't wander far or you'll get lost
And if you drift away, I'll listen for your call
Remember it's a dream, it's all in your head
It's not bad as it seems when you feel time bend

'Cause when the sun rises up in the summer time
We get lost in our thoughts in the summer time
Wake up and bake in the summer time
Day dream 'til the suns up in the summer sky
'Cause when the sun rises up in the summer time
We get lost in our thoughts in the summer time
Wake up and bake in the summer time
Day dream 'til the suns up in the summer sky

Summer sky
Summer sky
The summer sky
Summer sky
