

This and That

Acid House Kings

Do you understand
this might be the perfect start
something pure and new
no more late night television hours
or sleepless mornings
i'm looking forward to the change

i imagine this
i imagine that
and never really follow through
will i do this
will i do that
no one understands my intentions
no one ever understands me.

why can't i ever be
the one to follow
not the one to follow
why can't i ever get the attention i need
the attention that i miss
well i would like to

chorus

oooooooohhhhhhhhh
aaahhhhhhhhhh
oooooooohhhhhhhhh
aaaaaaahhhhhhhhhh
etc.
