

## Be Alone

Acres

I've become so weak  
I need a place where I can breathe  
Until my heart returns to yours  
I don't know you anymore  
The night I drove alone  
You didn't ask if I'd be home  
And when you sleep do you feel warm?  
Do you even sleep at all?

Helpless, I have been wasting away for you  
And if you blame me  
Maybe you're the one that should be wasting too

I've become so weak  
You say you're better off without me  
And if it's true then there's the door  
You're not welcome anymore  
You've gotta tell me  
Does it hurt to be lonely?

Helpless, I have been wasting away for you  
And if you blame me  
Maybe you're the one that should be wasting too

Helpless, I have been wasting away for you  
And if you blame me  
Maybe you're the one that should be wasting too

Helpless, I have been wasting away for you  
And if you blame me  
Maybe you're the one that should be wasting too  
Maybe you're the one that should be wasting too  
Maybe you're the one that should be wasting too
