

Treasures

Acres

And I would wrap
My arms around you
Wherever you are
Wherever you are
And I'd keep you
As safe as I could
Put your heart in a box
And your thoughts in a book

Don't
Don't turn
Stay
Stay straight
There's so much to relate

Don't
Don't turn
Stay
Stay straight
There's so much to relate

Tell me now how long do we have
You've been very brave
You fought it throughout
Now there's just one thing to do now
Have faith in our God
That there's a way out
A way out

There's a fork in the road

Don't
Don't turn
Stay
Stay straight
And I don't know where to turn
I just look to the sky and I hope to learn

But his words were just
Just works of fiction
I wish I never read that book
And I know its such a contradiction
But my dear I'm telling the truth

Take back everything
You should have said
The promises
The promises
Now there's nothing
No treasures left
Just emptiness
Just emptiness

It all came together
Only for us to fall apart
I still hear your voice in mine
And I carry your heart in my heart
