

When You're Gone

Acres

I've been such a mess
Been living all alone inside my head
Nothing keeps me safe apart from you
Am I easily replaced?
And did I do enough to make you say?
That no one makes me feel the way you do

When you're gone and I'm lost
I saw everything get torn apart
If I fall, will you catch me and pull me out again?

'Cause I'm still sinking

I've been losing sleep
I guess there is no dreams for you and me
But no one makes me feel the way you do

When you're gone and I'm lost
I saw everything get torn apart
If I fall, will you catch me and pull me out again?
So let's face it
There's no one else to help me change it
And you're the reason I'm still breathing
And I've been holding on

And everything I have turns to ashes
Everything I love
('Cause I'm still sinking)

When you're gone and I'm lost
I saw everything get torn apart
If I fall, will you catch me and pull me out again?
So let's face it
There's no one else to help me change it
And you're the reason I'm still breathing
And I've been holding on

I've been holding on
