

Miss Mistress

Across Five Aprils

Please don't forget, it's not over yet
Making mistakes, throw them away
Maybe I'll be the one to show the way
I guess we'll say maybe it's easy
I miss you every day
I guess we'll say maybe I'll be the one to show the way
I guess we'll say maybe it's easy
I miss you every day
Open up the sky, a part of me has died
You can take the lead, I intend to follow
My body seems so weak, I can't get off my knees
Was I the big mistake?
My eyes seem so hollow
Maybe I'll be the one who shows the way
I guess we'll say maybe it's easy
I miss you every day
I guess we'll say maybe I'll be the one to show the way
I guess we'll say maybe it's easy
I miss you every day
