Somebody [?]
I'm back whipping the Jet that's pitch black
Shorty like the steak number, switch that
Long as she put the drug in the shit crack
Then hit the sink so she can rinse that
Plus the bone in the steak is like a dinosaur leg
[?] mad wizards with the nine
This ear wax got me flying
Look in the mirror, see a lion
P-p-p-pull the trigger back to zion
You lack some things I been designed with
Rock New Balance for alignment
You hate to see a motherfucker shining
So what'd you do today? I saw my sister
At the club getting money like bar mitzvahs
With long nails throwing bullets at the blitzers
Yo that's enough, shut the fuck up bitch and twist this, please

Six foot margaritas, tank tops, Bermuda shorts
[?] boogie boards, aqua socks and water sports
Beach bummers, permanent vacation summers
Ukulele strummers
Just doing my daily numbers like a quick pick
Ride the rhythm like lazy drummer, word to baby brother
Cool lady lover, put loafs in the oven and make it supper
Camaro got the thruster

Out the window flashing muscle
[?] without the stubble, fly bundle, fancy
Table candle, all my bitches call me Randy
Stretched out in the sand with the family
Peace to the family
