

Hound Dog

Action Bronson

Bust right through the curtain, motherfuckers screamin'
This is not Virgil, this El Cocodrillo plus the Turbo
Super charged Cherokee track horse
Smoking drugs ass naked, just a hat on
Bitch, I'm just a hound dog
Run a hundred miles in a downpour
With six giraffes on my back
Yeah, you know how I get down, boy
The black Camaro make a loud noise
Driving through the window with a [?]
I never found God

Turbo, Turbo, Turbo, Turbo
