

# Live from the Moon

Action Bronson

Uh huh, good evening (Yeah)  
Live from the Moon (Uh huh)  
Live from the Moon (It's me)  
You know, live from the Moon  
Take me home, uh

Ten time champ, 'bout to be eleven  
Understand, I'm down to die for my leather  
Bitch, live from the Moon  
Live from this 41st speed boat  
I hope you brought your sea legs  
Bitch, young Bronson run ting like relays  
Uh, live from the moon  
Live from the moon (What)

My third eye been open for ten years (Uh)  
I don't got no fears (Woo), I don't got no fears (No)  
I don't get caught up in the bright lights, dear (No)  
And, yes, I am the human highlight reel (Yes)  
They say I'm built strong like pyramids in Egypt (Uh)  
Ever since a fetus, I had visions of a leader  
Purple X6 truck driven by a cheetah (Uh)  
Look, it's Don Cheadle (Uh), no, it's just me, ho (Me)  
Live from the Moon (Feel me, yeah)  
Live from the Moon, uh

Under pressure like Mercury and Bowie  
A man's never hot, nah, baby, you don't know me (Nope)  
Your boys stay cozy, laying in the bed full of roses sipping ro  
sy  
Chilling with Kobes on (God damn)  
Gold Rollie on the phoney arm (Uh)  
Travel stars like I'm Obi-Wan (Uh)  
Fuck Star Wars (uh), Indiana Jones is better, bitch (True)  
Turn a bitch to Fiskescovich (Uh)  
Couple mil'll make you stretch the wrist (Wrist)  
Move stones, it's mega lift, catch my drift, pass the piff (Pas  
s the piff)  
Live from the Moon (Uh)  
Live from the Moon, live from the Moon  
Yeah, we coming live from the Moon  
Welcome home
