

## Pepe Lopez

Action Bronson

I got the '89 Firebird  
Guns like Wyatt Earp  
Before I do business  
I want to know the buyer's worth  
Fast forward '98, Mark McGuire shirt  
I eat dessert while your bitch flirt (Uhh)  
Ship work to a Mick out in Pittsburgh  
When you're focused, strict terms are never misheard  
Shift gears, schherrp  
Twist Earth  
Lift the Nerf  
Shit, I got a lot of nerve  
Catch me on the run with a Nevada nurse  
Rambo knife in the Escada purse  
Lestor Diamond in the face, chase  
I'm in the gray 8  
Restaurant, I order rabbit like a Playmate  
Suede snake, crocodile silk  
Barely legal Brazilian mami all on the quilt  
I twist a bitch like Wilt, built  
I spit the shit the people feel, uhh, yeah

Let me take it out to Coney Island, uhh  
Drinking 40's out in Rockaway, uhh  
Jones Beach Field 6, uhh  
Out in Deer Park, peel whips, uhh  
Flushing Meadow Park shit, uhh  
Barbecues with the Mexicans  
Get my muthafucking drink, man  
Damn, this is Bam Bam  
This is about to be some shit  
Blue Chips 2, bitch (Owwww!)
