You know your boy more stoner than Stonehenge (Uh-huh)
Feeling like Beldar and Coneheads (Exactly like that)
Told the team to cherish these moments (Told you)
'Cause in any moment, we could be back in the Cherokee lonely (So lonely)
Or in that jade-green Celica with the chrome (Uh)
I'm so emo (Uh), the full outfit VLone (Uh, hell no)
Dive off a speedboat (Uh-huh), Chrome Hearts on the speedboat (Woo, hell no)
Countless times I had to nut inside the fiend's throat (I can't even count)

While I'm in the studio doin' five-hundred push-ups watchin' (Uh)
Man, I could only be Bach (That's it)
I could only be Bach (Splash, uh, Splash)
Six o'clock (Uh-huh) on the dot (On the dot, dot)
Teanna Trump is suckin' some guy's cock (Uh)
While I'm in the studio doin' five-hundred push-ups watchin'
Man, I could only be Bach (Who else?)
I could only be Bach
