Splash

Butt-naked diving off boats  
Butt-naked ripping up the slopes  
Still, I got the toast  
I ride horse like Navajo  
The saddle got big guns of Navarone  
One whistle bring the cattle home  
I'm like a Ninja Turtle Battle Toad  
T-tops on the black Camaro  
Spin this shit like a hammer throw  
Smash pussy like a cantaloupe  
I'll eat your cookies, fuck the Santa note  
Uh, it smells so good like mama cooking  
Rest in peace to the Mamba  
I'ma dunk on a motherfucker's head in your honor  
Scout's honor  
Make the whole park hoot and holler

Uh, splash  
A new fragrance
