

All Eyes on You

Active Child

Babe
Won't you let me in
(Run from you)
Murder
In the first degree
Tears me in half

Everything that you do
I will be there
There and I'll help you through
Until you let me in

(All eyes on you)
All eyes on you
All eyes on you

Every little thing you do
I will be there
There to just help you through
Until you let me
Every little thing you do
I will be there
There to just help you through

All eyes on you
All eyes, all eyes
All eyes
All eyes on you
All eyes, all eyes
All eyes on you
All eyes, all eyes
All eyes
All eyes on you
All eyes, all eyes
All eyes on you

Babe, oh
Oh, it is a sin
(Revolution)
I've come
In on bended knee
Praise for your love

Every little thing you do
I will be there
There to just help you through
Until you let me
Every little thing you do
I will be there
There to just help you through

All eyes on you
All eyes, all eyes
All eyes
All eyes on you
All eyes, all eyes
All eyes on you

All eyes, all eyes
All eyes
All eyes on you
All eyes, all eyes
All eyes on you

All eyes on you
All eyes on you
All eyes on you
