

## Gaze Will Cast a Shadow

Active Child

What we had  
Never gonna last  
Me and you (your gaze will cast a shadow)  
Never gonna learn  
What we had  
Living in the past  
Own your truth (your gaze will cast a shadow)  
Gonna let it burn

Your gaze will cast a shadow

I really hope you change your mind  
(Wanna be T.Y.U.)  
I know it's only worth your time  
Goin' in brand new  
It's only you  
own your truth

Wanna be T.Y.U.  
Wanna be T.Y.U.  
Wanna be T.Y.U.  
Wanna be T.Y.U.

(Your gaze will cast a shadow)  
Wanna be T.Y.U.  
Wanna be T.Y.U.  
(Your gaze will cast a shadow)
