

# Takes Me Back

Active Child

Takes me, takes me

This world is dedicated to the baseball  
I'm a shifting lover, I go off base  
She picks me up at the start, ask me how I can keep on

KEEP ON GOING

This world is dedicated to the baseball  
I'm a shifting lover, I go off base  
She picks me up at the start, tells me I have to walk right

To the off time

If you wanted, I know I wanted to fly  
I can test it  
If you'll go, you are for me  
Oh, the feeling on you  
Takes me, takes me  
Takes me, takes me  
Takes me, takes me

This world is dedicated to the baseball  
I'm a shifting lover, I go off base  
She picks me up at the start, ask me how I can keep on

KEEP ON GOING

Feel it, I only want to fly  
I can taste it  
When you go, you have shown me  
How it is to feel at home  
You will leave me alone  
I've got a million different reasons  
That we all have got to go on  
UNTIL THE END OF TIME

Takes me, takes me  
Takes me, takes me
