

Nothing Changes

Acumen Nation

As I trash everything I own
I think for a moment
Would I be here shattered on the floor
If I had listened to you
I'm a misfire
I'm a cheap, cheap raindancer
Afraid of acid rain
As I corrupt everything I am
I think for a moment
Nothing changes close to me
Without sweet sabotage
I'm a misfire
I'm a cheap raindancer
Afraid afraid of acid rain
