

# Breathe

Ad Infinitum

I feel it in the air  
I feel it in the way it's killing me  
I can't breathe, oh breathe  
The world is starting to spin around me

The surface is near  
But the water in my lungs won't ever leave  
I try to swim, oh swim  
It seems so easy why can't I just...

Breathe  
I want to feel alive  
I don't want to see my world burn in my mind  
Oh breathe  
It is not too late  
To break the chains, oh I wanna get away  
From my yesterday

I see it through my cries  
I see and suddenly I realise  
As I freeze, oh freeze  
The night is starting to fall upon me

The surface is clear  
But the power of the stream won't set me free  
I try to scream, oh scream  
I've been there before why can't I just breathe

I feel it in the air  
I feel it in the way it's killing me  
I can't breathe, breathe  
My soul is screaming  
All alone  
I try to bring the sun back home  
And fight this stream  
Oh

Breathe  
I want to feel alive  
I don't want to see my world burn in my mind  
Oh breathe  
It is not too late  
To break the chains, oh I wanna get away  
From my yesterday
