

# More Than Words Heaven

Ada Band

Saying that I love you is not the words I want to hear from  
It's not that I don't want you  
Not to say but if you only knew  
How easy it would be to show me how you feel

More than words is all you have to do to make it real  
Then you wouldn't have to say  
That you love me  
'Cause you I'd already know

How I love the way you move  
And the sparkle in your eyes  
As the color deep inside them  
Like a blue suburban sky

I don't need to be the king of world  
As long as I'm the hero of this little girl  
Oh, yeah

Heaven isn't too far away  
Closer to it every day  
No matter what your friends say  
I know we're gonna find that word

If all you have to do to make it real  
Then you wouldn't have to say

Heaven isn't too far away  
Heaven isn't too far away  
Heaven isn't too far away

'Cause I'd already know  
Saying I will love you
