# Cheta

**Ada Ehi**

Cheta
Cheta, Cheta
I am God, and I never fail
Cheta, Cheta
Yesterday, today I'm forever the same
Cheta, Cheta
Echezokwala, oh
Cheta, Cheta, remember

Abum abum (Abum Abum)
Abum abum (Abum Abum)
I am Jehovah (Abum Abum)
And I am Able (Abum Abum)
Is anything too hard for me?
Is it ever too late for me?
Whatever it is, Abum
I'm forever the same

Cheta
I am God, and I never fail
Cheta, Cheta
Yesterday, today, I'm forever the same
Cheta, Cheta
Echezokwala, oh
Cheta, Cheta, ahh

The God of Abraham, Isaac, and Jacob (I am)
Who makes dry bones to rise again (I am)
Let there be light in the world again (I am)
Say you can call me (I am, I am)
Who gives the barren a song to sing (I am)
Who makes the dead to rise again (I am)
The first and last beginning and the end

And I'm forever the same
Is anything too hard for me?
Is it ever too late for me?
Whatever it is I am
I'm forever the same
Whatever it is, Abum
Whatever you need, Abum
In every situation I am

Obimo Cheta
I'm bigger than what people say
Obimo Cheta
I'm forever the same
Obimo Cheta
You are not alone
You are not alone
You are not alone

Obimo Cheta
I'm bigger than what people say
Obimo Cheta
I'm forever the same
Obimo Cheta

You are not alone

Cheta, Cheta
I am God, and I never fail
Cheta, Cheta
Yesterday, today, and forever the same

Cheta, Cheta
Echezomena, oh
Cheta, Cheta, Cheta
Echefumena, oh
Cheta, remember
And never forget it at all
