

# Every Time

Ada Ehi

Every time I close my eyes I see You  
Every time I close my eyes I see You  
Every time I lift my hands I feel You  
Every time I lift my hands I feel You  
Oh oh oh, every where I go I see Your face

Every time I lift my voice I hear You  
Every time I lift my voice I hear You  
Every time I stretch out my hands I feel You...  
Every time I stretch out my hands I feel You  
Oh oh oh, every where I go I see Your face

You are my confidence  
You are my shepherd and my God  
Oh Jesus, You are  
My hiding place Lord You are  
The glory that crowns my head  
Oh Jesus, You are

Let's do it again!

Every time I close my eyes I see You, see You...  
Every time I close my eyes I see You  
Every time I lift my hands I feel You a feel You  
Every time I lift my hands I feel You  
Oh oh oh, every where I go I see Your face

Every time I lift my voice I hear You  
Every time I lift my voice I hear You  
Every time I stretch out my hands I feel You...  
Every time I stretch out my hands I feel You  
Oh oh oh, every where I go I see Your face

You are my confidence, Lord  
You are my shepherd and my God  
Oh Jesus, You are  
My hiding place, Lord, You are  
The glory that crowns my head, oh Jesus  
You are

Lord, we sing to You

Jesus Jesus, oh oh oh, Saviour, Saviour  
You're the reason I live, the reason I live You are  
Master, master, Saviour, Saviour  
You're the reason I live, the reason I live You are

You are my confidence, Lord  
You are my shepherd and my God  
Oh Jesus, you are  
My hiding place, Lord, you are  
The glory that crowns my head, oh Jesus  
You are

Every time I close my eyes, I see You  
Oh, every where I go I see, I see Your face

I hear Your voice, I feel Your touch  
Your love has captured my heart  
Melting my heart  
Oh, You're lovely, You're lovely lovely Jesus
