Ah'ole ah'ole ah'ole ah'ole leggo

Today there's a melody in my heart today
A simple song to say
My heart is full
With songs of praise, oh oh ah
Joy has come to stay
Hey eh eh
My heart is full
With songs of praise, oh oh ah
Joy has come to stay

Now I will sing hallelujah
Yes, I will shout hallelujah
What I asked for in my heart
You put it in my hand
What I prayed for with my mouth, eh
You put it in my hand, oh
Oh, I will sing hallelujah
Yes, I will shout hallelujah
What I asked for in my heart
You put it in my hand
What I prayed for with my mouth, oh
You put it in my hand, eh

A simple song to say
My heart is full
With songs of praise, oh oh ah
