

# Fix My Eyes On You

Ada Ehi

My very plan  
Is to trust in you  
I trust in you  
All my hope  
Is found in you  
I've found in you  
There's no fear  
There's no doubt  
The one who walked on water  
Holds my hands  
You who began  
This good work in me  
You are able

You perfect it all  
You perfect it all  
You make all things new  
Like only you can  
You perfect it all  
You perfect it all  
All I have to do  
Is fix my eyes on you  
You you you  
You you you  
I fix my eyes on you  
I fix my eyes on you  
You you you

My very plan  
Is to trust in you  
I trust in you  
All my hope  
Is found in you  
I've found in you  
There's no fear  
There's no doubt  
The one who walked on water  
Holds my hands  
You who began  
This good work in me  
You are able

You perfect it all  
You perfect it all  
You make all things new  
Like only you can  
You perfect it all  
You perfect it all  
All I have to do  
Is fix my eyes on you  
You you you  
You you you  
Aha Lord I fix my eyes on you  
I fix my eyes on you  
You you you  
You you you  
I fix my eyes on you

For the one who walks with the Lord  
Never walk alone  
And those who call on Jesus  
Never cry for help  
For the one who walks with the Lord  
Never walk alone  
And those who call on Jesus  
Never cry for help

You perfect it all  
You perfect it all  
You make all things new  
Like only you can  
I have no fear... I have no fear  
I have no doubt  
You are able

You perfect it all  
You perfect it all  
You make all things new  
Like only you can  
You perfect it all  
You perfect it all  
All I have to do  
Is to fix my eyes on you  
You you you... I can walk on water  
You you you... as I fix my eyes on you  
I keep my eyes on you... oh oh oh ooo

All things are possible to me  
As I fix my eyes on you  
Fix my eyes on you  
Only you sweet Jesus  
Fix my eyes... I fix my eyes  
I fix my eyes... on you  
I will never fail... no o o  
As I fix my eyes on you... uhh u ahh
