

# I Overcame

Ada Ehi

I overcame, Hallelujah  
He won the victory, Hallelujah  
He said it's finished  
And oh oh oh oh  
My story is written  
And oh oh oh oh

I overcame, Hallelujah  
I overcame, Hallelujah

Hallelujah, He's lives  
And because He lives I live  
Hallelujah, Jesus lives  
And my future is alive in Him

I overcame, Hallelujah  
He won the victory, Hallelujah  
He said it's finished  
And oh oh oh oh  
My story's written  
And oh oh oh oh

I overcame, Hallelujah  
I overcame, Hallelujah

Say to the mountain, I overcame  
Say to the problem, you came too late  
Tell the sickness, I already won  
Declaring body, I'm born of God

He said it is finished  
And oh oh oh oh  
My story is written  
And oh oh oh oh  
I overcame, Hallelujah  
I overcame, Hallelujah

Hallelujah, He is alive  
And because he lives I live  
Hallelujah, he is alive  
And because he lives I live  
Hallelujah, Jesus lives  
And because he lives I live

He said it's finished  
And oh oh oh oh  
My story is written  
And oh oh oh oh  
He said it is finished  
And oh oh oh oh  
My story is written  
And oh oh oh oh

I overcame, Hallelujah  
I overcame, Hallelujah  
I overcame, Hallelujah  
I overcame, Hallelujah

Ah ah ah ah, it is finished  
Yes...
