

# I'm A Miracle

Ada Ehi

Turn on the lights  
See me now  
Say I'm working in power  
Working in favor  
I spread the news as I go  
Say I'm working in power  
Working in favor

I got the smile on my face as I go  
I throw my hands in the air me I walk  
Everything all around me they are working in my favor  
Working in my favor

Tell me  
Who can be against  
Nobody  
Tell me  
If the lord be for you who can be against  
Tell me  
Who can be against  
Nobody  
Tell me  
If anybody ask you say

I'm a miracle  
Eh eh eh eh eh eh eh  
Any day eh eh  
Eh eh eh eh eh eh eh eh eh

When we go in the morning  
We go in His favor  
When we come in the evening  
We come in His glory  
We are the ones who never go down  
Say His mercies never runs out  
Upon all of us who are called to walk in His glory

Tell me  
Who can be against  
Nobody  
Tell me  
Who can hold you down  
Nobody  
Tell me  
Who can be against

Tell me  
If anybody ask you say
