

More Than Enough

Ada Ehi

Author of my destiny
You are more than enough for me
Champion of my faith, my hope
You are more than enough for me

Before I was born
You choose me
I have only come this far
By your grace
In my future years to come
You hold me
You are more than enough for me

Author of my destiny
You are more than enough for me
Champion of my faith, my hope
You are more than enough for me
Fountain that will never run dry
You are more than enough for me

Before I was born
You choose me
I have only come this far
By your grace
In my future years to come
You hold me
You are more than enough for me

Before I was born
You choose me
I have only come this far
By your grace
In my future years to come
You hold me
You are more than enough for me

You are more than enough for me
You are more than enough for me
You are more than enough for me
You are more than enough for me

You are the fountain that will never run dry
The rock on which I'm standing
All my days are in your hands

Before I was born
You choose me
I have only come this far
By your grace
In my future years to come
You hold me
You are more than enough for me

You are more than enough
Jesus
My pillar, my destiny
You are my source and hope my stay

You are my future you are
Everything
You are more than enough for me
Yes you are
More than enough for me
