Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh

I see a new beginning  
The spirit of God is moving now  
And yes, I hear restoration, oh oh oh  
In the name of Jesus now

Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh

There shall be a great performance  
Every prophecy fulfilled  
And I hear a mighty harvest now  
In the name of Jesus now

For the Lord has spoken once  
And we heard him twice  
All the power and the glory belongs to him  
We are filled with his spirit  
And authority  
So in the name of Jesus  
The time is now

For the Lord has spoken once  
And we heard him twice  
All the power and the glory belongs to him  
We are filled with his spirit  
And authority  
So in the name of Jesus  
The time is now

For the Lord has spoken once  
And we heard him twice  
All the power and the glory belongs to him  
We are filled with his spirit  
And authority  
So in the name of Jesus Christ  
The time is

Now now now  
The time is now now now  
I take it now now now  
In the name of Jesus  
Now now now now  
I see it, I take it  
I see it, I take it  
It's mine in the name of Jesus  
Get your hands off my children  
Get your hands off my family now, ha  
Every tree harvest now  
Every seed harvest now  
Every dream come alive now

Now now

In the name of Jesus  
Hey hey hey  
In the name of Jesus now  
Open wide wide gates coming through now  
I receive it  
We bouncing in victory now, we walking in the victory  
I receive it now  
Sing a new song of victory now, hey  
In the name of Jesus  
In the name come alive come alive come alive now  
In the name of Jesus now  
Hey hey hey...

For the Lord has spoken once  
And we heard him twice  
All the power and the glory belongs to him  
We are filled with his spirit  
And authority  
So in the name of Jesus  
The time is now

Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh  
Oh oh oh oh oh oh
