

Only You Jesus

Ada Ehi

Is only you...

Eh...

Only you

Only you, Jesus...

Only you can do

What no man can do

Only you can say

What no man can say

Only you can change

Any situation at all

Only you are able

Daddy

So so you are capable

Jehovah

Only you can do

What no man can do, it's only you

Only you can say

What no man can say

Eh eh eh eh...

Only you can change

Any situation at all...

Only you are able

Daddy

Only you are capable

Jehovah meh...

Only you can do

What no man can't do

Jehovah

Jehovah

Only you

Only you

It's only you

It's only you

It's only you

Just like you walked the street of Galilee

You are doing the same today

And like you healed the sick

And you raised the dead

You are doing the same today

Jesus

Like you said Lazarus

Come forth, come forth

You are doing the same today

Oh, God my promoter
Jesus my promoter
Opening every door now
Fighting all my battle
Healing the broken hearted
You are doing the same again

Only you can do what no man
Can do
Only you can do what no man can do
Only you are able
Only you are able
Only you are capable, ah
Capable
Capable
Say you are able

Only you can do what no man can do
Is only you
Only you can change any situation at all

Only you
Only you you you you you
Unfailing
Unchanging
Unfailing
Resurrected Jesus

Only you can do
Only you
Only you

Jesus...

The son of God
The word of life
The same today
Say, he is capable

Jesus
The resurrection
Jesus
And the life

Jesus...

The son of God
The word of God
Jesus

Jesus only you can
Make the blind to see, eh

Jesus only you can
Make the lame to walk again

Jesus only you can
Make the dead to raise, ah

Jesus my promoter, Jesus
Jesus...

Ah ah ah...

Call his name
Call his name
Call his name

He is capable
