Ada Ehi

Oya tell me
If you are blessed
Can you hide it
Oya show me
This your blessing
Where you put it, oh

So this is my song, I'm grateful
My heart is full, it's full naa
Spreading the news no be paper
Your power is greater
So I'm telling my story
A story of glory to glory
Instead of crawling, I'm flying
I'm flying

Everything has changed
E don change, oh
E don change, oh
Everything has changed
E don change, oh
E don change, oh
In the name of Jesus
In the name of Jesus
I can never be the same again
In the name of Jesus (Settled)
In the name of Jesus (Settled)
I can never be the same again

Oh Lord, I thank You
For all You've done for me, oh
Them know my story
Them no fit deny, oh

It's not by power
Certainly not by might, oh
You have done for me
What no man can, do

So this is my song, I'm gratefull
My heart is full, it's full naa
Spreading the news no be paper
Your power is greater
So I'm telling my story
A story of glory to glory
Instead of crawling, I'm flying
I'm flying

Everything has changed
E don change, oh
E don change, oh
Everything has changed
E don change, oh
E don change, oh
In the name of Jesus
In the name of Jesus
I can never be the same again

In the name of Jesus (Settled)
In the name of Jesus (Settled)
I can never be the same again

Glory be to your name, oh
To your name
To your name
Oh oh, adoration to your name
To your name
To your name

Oh oh oh...

In the name of Jesus (Settled)
In the name of Jesus (Settled)
In the name of Jesus
I can never be the same again
In the name of Jesus (Settled)
In the name of Jesus (Settled)
In the name of Jesus
I can never be the same again
In the name of Jesus (Settled)
In the name of Jesus (Settled)
In the name of Jesus
I can never be the same again
In the name of Jesus (Settled)
In the name of Jesus (Settled)
In the name of Jesus
I can never be the same again
