Today, oh today  
And we'll be counting His blessings together

No matter what come in your way  
Testimonies at the end of the day  
You are a carrier  
Of his divinity  
Fullness of God  
We rolling in trinity

I rep Christ  
Not just words  
But with my life  
In the darkness

And we'll be counting His blessings together

I'll make it rain be the hand they need  
When He's needed then I'm needed I'll be there
