Yes

Ada Ehi

The writings on the wall
Did you see?
And the mountains moved away for me
I'm going all the way
I'm singing as I go
Jehovah says to me
Hmm...

To my dreams
(Yes)
To my heart
(Yes)
To my goals
(Yes)
To my future
(Yes)
Whatever I want
Whatever I need
Whenever I call
His answer is
(Yes)

Again and again
Again and again
Again and again
The answer is yes
Again and again
I'll say it again
Again and again
The answer is yes

The walls are tumbling down
Around you
And doors are open wide for you
You might have said before
Will it ever be?
Jehovah says to you
Hmm...

For every tear you'll rise again
For every dream you'll shine again
For every seed you'd run again
For every prayer
The answer is
(Yes)

Again and again
Again and again
Again and again
The answer is yes
Again and again
I'll say it again
Again and again
The answer is yes

Don't give up now
It's only for a while

This walls that you see
Get to them
They are not real
Remember
Your answer is
(Yes)
Your answer is
(Yes)
Close your eyes
Keeping saying it
Your answer is
(Yes)
Keeping talking
(Yes)

Again and again
Again and again
Again and again
The answer is yes
Again and again
I'll say it again
Again and again
The answer is yes

Again and again
Again and again
Again and again
The answer is yes
Again and again
I'll say it again
Again and again
The answer is yes

Again and again
Again and again
Again and again
The answer is yes
Again and again
I'll say it again
Again and again
The answer is yes

Again and again
Again and again
Again and again
The answer is yes
Again and again
I'll say it again
Again and again
The answer is yes...
