

# Don't Be Square (Be There)

Adam and the Ants

Music for a future age  
Don't be square be there  
All good clean fun  
Whatever that means

Antmusic for sexpeople  
Sexmusic for antpeople  
Get off your knees  
And hear the insect prayer

The brain will suffer  
So ride hard, ride clean  
How reputations scare  
And love goes to war  
Whatever that means

Antmusic for sexpeople  
Sexmusic for antpeople  
Get off your knees  
And hear the insect prayer

Dirk wears white socks  
Dirk wears white socks  
Dirk wears white socks

Antmusic for sexpeople  
Sexmusic for antpeople

And we got it like this  
And we got like that

Antmusic for sexpeople  
Sexmusic for antpeople  
Antmusic for sexpeople now

You may not like it now but you will  
You may not like it now but you will  
You may not like it now but you will  
You may not like it now but you will

Music for a future age  
Don't be square be there  
All good clean fun  
Whatever that means
