

## U.S.S.A.

Adam and the Ants

One million A. D.  
There'll be you there'll be me  
Rocky's dead  
That's Rocky 1003

Red stars and stripes  
One big team  
With little Europe  
In between

U. S. S. A.  
U. S. S. A.  
U. S. S.  
What you want is what you get now  
U. S. S. A.  
U. S. S. A.  
U. S. S.

Rearrange the alphabet  
One million A. D.  
We get on happily  
Rocky's dead

That's a real tragedy  
Synthesizers made us slaves  
So we smashed them up  
To decorate our caves

Look out ' 'cause Armageddon's gonna rock you  
He got plans for you and me  
Look out for Armageddon on the goodship  
Faith, hope, and anarchy

One million A. D.  
We don't dig history  
We killed the Gonk  
To avenge Rocky

We've archive footage  
How it all began  
The film was called  
How The West Was Won  
Move over
